

VINYL CUSTOMIZATION

Supernova

Vinyl Instructions

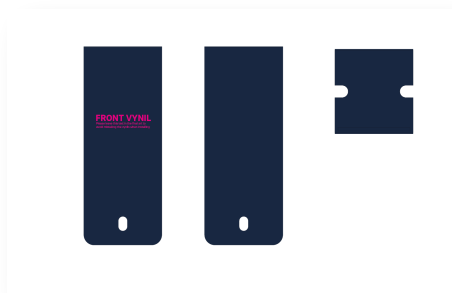

Hi there! Here you can find important information on how to deliver your co-branding so everything goes fast and smoothly ;)

Mandatory Deliverables

Final Artwork

Please make sure to prepare the Final Artwork in real scale (1:1) using the template provided.

IMPORTANT: No other elements for visualization like specifications or the outline of Supernova can appear in this document as this will be the printing file.

This is how the final art should look like

Specification Sheet

Please include a separate pdf file for visualization of your co-branding with its specifications. Don't forget to specify your brand colors that are used in the file.

Naming your file

Replace all text that is written in ALL CAPS with your brand name and the date.

Template file name:

Final Art: YOUR BRAND_Supernova FULL Vinyl_YYMMDD.pdf

Example: FFAA_WALLBOX_Supernova Vinyl_240429.pdf

Thank you!
