

REACH – Customer Information

October 2024

As defined in article 33 of Regulation (EC) 1907/2006 (REACH), you will find below information about the usage of substances of very high concern (SVHC) in our products.

The given information was achieved to the best of our knowledge and corresponds to the date of issue. The information will be up-dated according to increasing state of knowledge which might result from further details from our suppliers or from our own analysis. Against the background of a sustainable research and development policy of our company we are continuously working on products which reduce during normal operation the impact on the environment and the health. At the end of lifecycle we recommend that adequate waste disposal and recycling proceedings are used.

It generally applies that:

- Our **articles** are – as long as not listed in table 1 – **not affected** by article 57 and 33 of the REACH-Regulation.
- Our articles listed in table 1 contain the following substance of the current version of the Candidate List (issue date: 20-Sep-2024) in a concentration higher than 0.1% (w/w):
 1. **Lead [CAS-No.: 7439-92-1 / EC List-No.: 231-100-4]**
 2. **Dodecamethylcyclohexasiloxane (D6) [CAS-No.: 540-97-6 / EC List-No.: 208-762-8]**
 3. **1,2-Dimethoxyethane [CAS-No.: 110-71-4 / EC List-No.: 203-794-9]**

You have further queries or require additional information? Please feel free to contact the mail address info@abl.de or phone **+49 (0) 9123 188-0**. We'll do our very best to find a solution.
